

Subject: Request for NOC for Internship at SeekAxis Technologies Pvt. Ltd.

Respected Sir/Madam,

I am writing this letter to request a No Objection Certificate (NOC) for a month-long internship at SeekAxis Technologies Pvt. Ltd. located in Bangalore. As part of my academic curriculum, it is mandatory for me to undergo an internship to gain practical knowledge and experience in the field of computer science.

I am thrilled to have been selected for this internship opportunity, and I am eager to learn and contribute to the organization's growth. I am happy to inform you that the company is offering a stipend of INR 50,000 per month for the duration of the internship. This stipend will help me cover my living expenses during the internship and allow me to focus entirely on the learning experience.

I would like to assure you that I will make every effort to ensure that my academic responsibilities are not compromised during my absence from college. I will complete all my pending assignments and will get them submitted on time. Moreover, I will maintain regular communication with my faculty advisor and update them on my progress at the company.

I request you to kindly issue the NOC at the earliest so that I can join the internship program without any delay. Your support in this matter would be highly appreciated.

Thank you for considering my request.

Sincerely,

Adarsh Gupta
